

The River Run

How far do you want to go ?

If you like the Murray River, it's towns, birdlife and animals you'll love this tour. Each night is camped right on the banks of the Murray.

Day 1 and we head south from Adelaide right to the Murray Mouth, the ideal place to start a Murray River tour. We then, as much as possible, follow the shores of the lakes before going down to "The Narrows" the connecting channel between Lake Alexandrina and Lake Albert. We will then start following the river upstream before camping on the river bank in a remote location.

Day 2 and we continue to follow the river on the eastern bank to Morgan the continue on to Lake Bonnie at Barmera for the stop for the night.

Day 3 is the day to explore the Riverland, the packing sheds, museums, galleries and the towns. It will be a full day and the drive home will be through the mallee wheat and sheep country to get back to Adelaide just after dark.

BUT, IF YOU WANT TO KEEP GOING EAST WE CAN FOLLOW THE MURRAY RIVER RIGHT TO ITS SOURCE. IT'S A FASCINATING JOURNEY
