

The Ultimate Wine Tour

An ideal tour for 2 couples you visit the Southern Vales, Langhorne Creek, The Barossa and Clare Valleys in one tour and do it at a very economical price with luxury accommodation and transport.

Day 1 will be the day for sampling the wines from select wineries in the Southern Vales and Langhorne Creek districts. There's 3 cubic metres of storage in the basement of the motorhome so you can keep buying until these are full. By nightfall you'll be camped at Williamstown in the Adelaide Hills.

Day 2 and the Barossa valley will be your area today. The day can be select wineries, Barossa Valley attractions or just sleep in and make the decisions on the day. The intention is to be at Mintaro for the overnight stop.

Day 3 finds us in the middle of the Clare Valley with a proliferation of boutique wineries with some opportunities to sample local foods as well as the wines. Most location are within 15 minutes of the town of Clare so during the day there wont be far to travel. But sadly about 3pm it will be time to head back to Adelaide.
